QUESTIONS

What do you study?

Have you already completed an apprenticeship?

In which field of work do you see yourself after your studies?

What is important to you in your future employer?

Where do you see yourself in your career in 5 years? What do you need from us to achieve this?

What are you willing to contribute for this?

Where would you live if you were to work at pro-micron?

How did you find out about us? (Website, Newspaper, Job-Plattform, Social Media, etc. ...)

Is there anything else interesting you would like to tell us about yourself?

Would you like to have a telephone interview? Then give us your phone number and our general manager will get in touch with you.
